

Foshan Panda Hardware Co., Ltd was founded in 2017 and located in Foshan. We have been focusing on the research and manufacturing of casters and wheels since establishment.

Our factory covers an area of 14,000 square meters, we're made up by 120 skilled workers and engineers as on family.

Our products include heavy duty casters, medium duty and light duty casters, industrial casters, scaffolding casters, and other casters and wheels, which are widely used on trolleys, furniture, various tools and other facilities.

Our products are exported to more than 50 countries and areas. We provide customized solutions on casters and wheels. Our company and products have obtained ISO9001 Certifications, Rohs, and other certifications. We value our credit and honor very much, we are honored the title of "Good Quality and Reputation", and "AAA Credit" by government.

Our philosophy is "Professional creates value", It's our faith to develop better quality products and more warm-hearted service to meet customers' demands.
